

# Other Resources

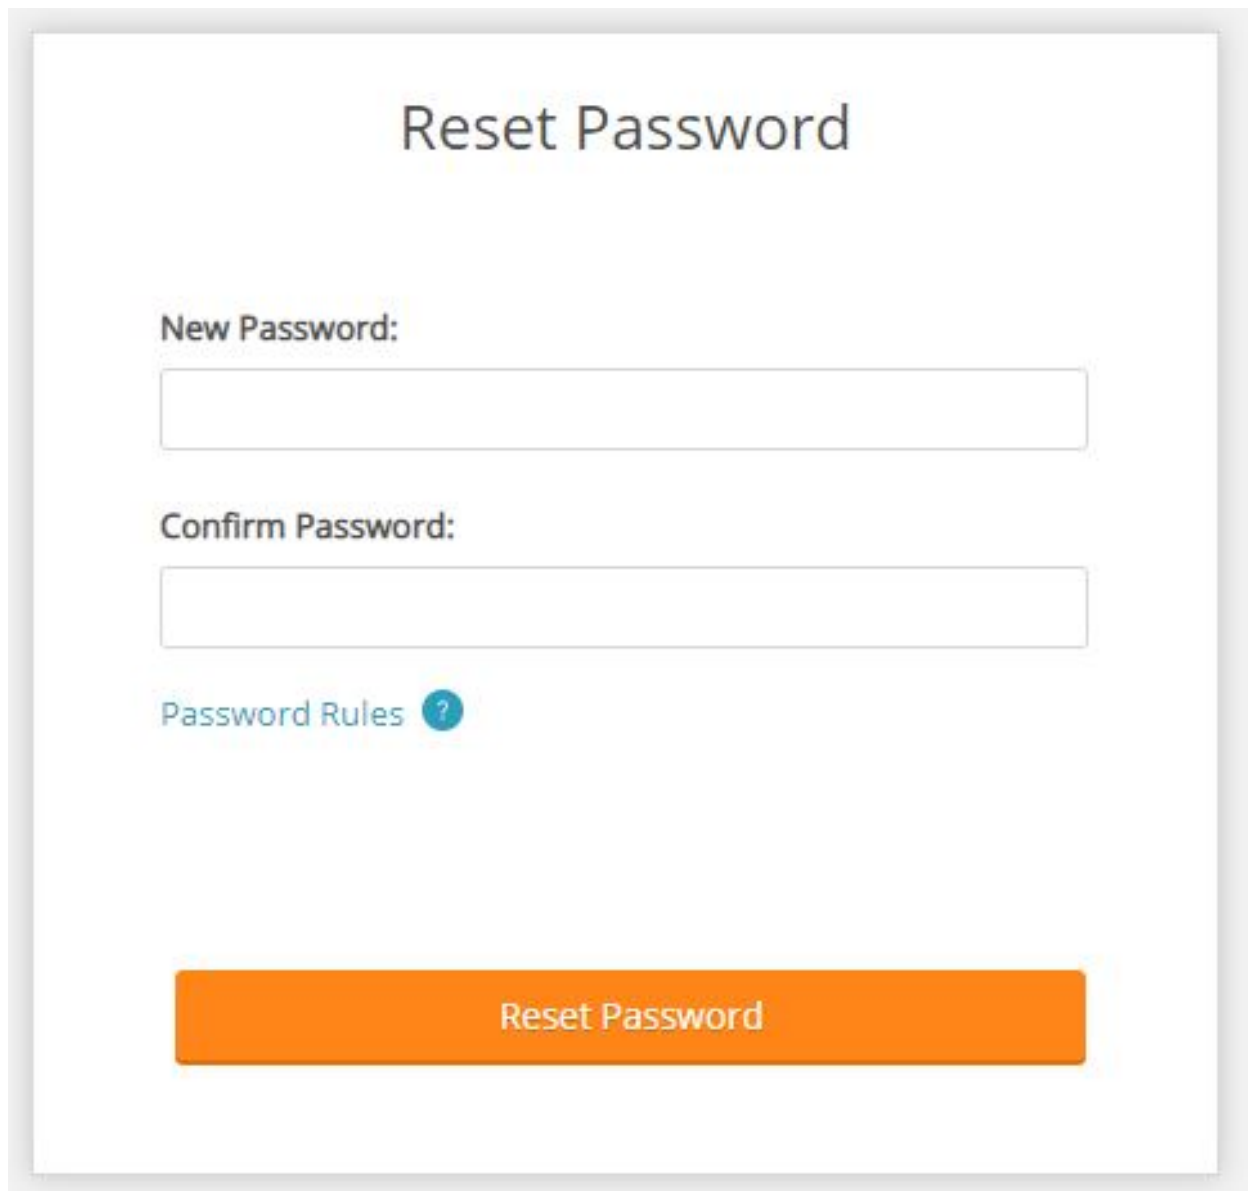

## Creating an Admin CloudCare Account

1. Check an email coming from Avast Business CloudCare and take note of your username.

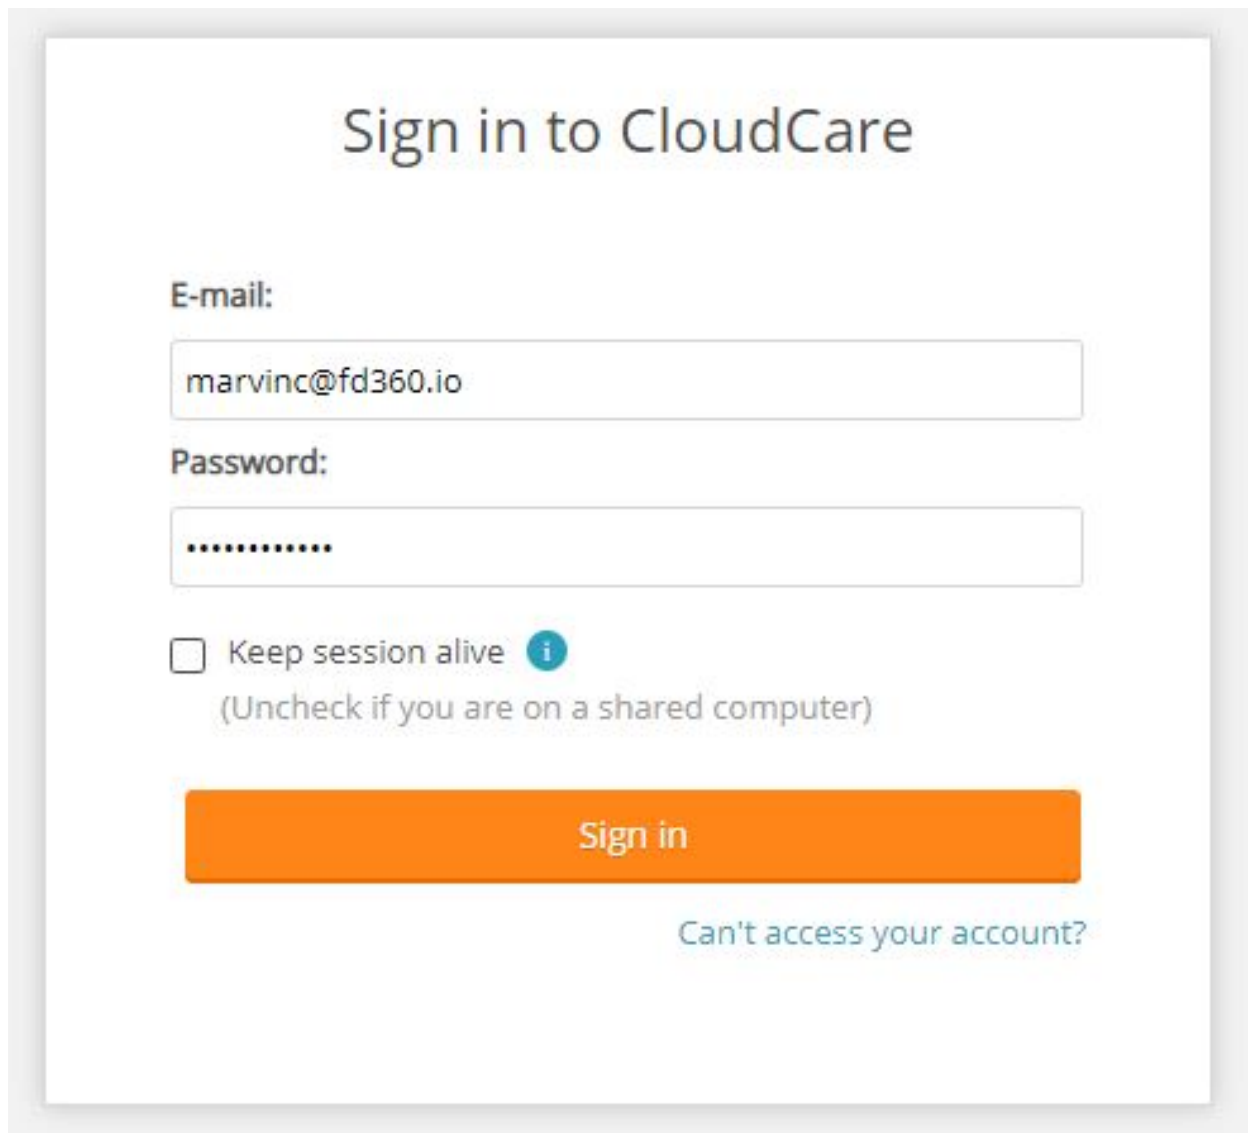

2. Click the link on that email to set your own account password.

## Other Resources

A screenshot of a 'Reset Password' web form. The form is centered on a white background with a light gray border. At the top, the title 'Reset Password' is displayed in a large, dark gray font. Below the title, there are two input fields. The first is labeled 'New Password:' and the second is labeled 'Confirm Password:'. Both labels are in a dark gray font. The input fields are rectangular with a thin gray border. Below the 'Confirm Password' field, there is a link 'Password Rules' in a blue font, followed by a small blue circle containing a white question mark. At the bottom of the form, there is a large, orange rectangular button with the text 'Reset Password' in white, bold, sans-serif font.

3. To start to logging in to your Avast Business CloudCare account, access this web address <https://us.cloudcare.avg.com/> into your web browser and enter your username and password.

## Other Resources

A screenshot of the CloudCare sign-in interface. At the top, the text "Sign in to CloudCare" is centered. Below this, there are two input fields: "E-mail:" containing "marvinc@fd360.io" and "Password:" containing a series of dots. A checkbox labeled "Keep session alive" with an information icon and the text "(Uncheck if you are on a shared computer)" is positioned below the password field. A large orange "Sign in" button is centered below the checkbox. At the bottom right, there is a link that says "Can't access your account?".

Sign in to CloudCare

E-mail:

marvinc@fd360.io

Password:

.....

☐ Keep session alive ⓘ  
(Uncheck if you are on a shared computer)

Sign in

[Can't access your account?](#)

4. To start seeing all devices added in CloudCare under your organization, click on 'Devices' tab.
